STATUS INQUIRY

Sir:

A final Office Action was mailed in the above application on November 16, 2005. However, the final Office Action did not address all pending claims. This matter was discussed with the examiner by telephone in late November, and at that time the examiner agreed to issue a new final Office Action that addressed all pending claims. In addition, it was agreed that the Applicant would have three months from the date of the new final Office Action to respond to that Office Action.

This issue was discussed with the examiner at least one more time in December 2005 and again on January 11, 2006. After the discussion on January 11, 2006, the examiner issued an interview summary, mailed January 17, 2006, indicating that a new final Office Action with a new date for responding would be forthcoming. However, it has been over five weeks since that telephone discussion, and no Office Action has been received. As of February 15, 2006, PAIR does not show any activity in this application since the mailing of the January 17, 2006, interview summary.

Application No.: 09/987,143

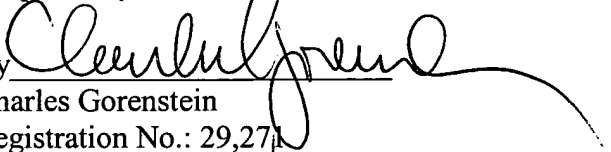

Docket No.: 0033-0775P

It has now been three months since the date of the original Office Action and nearly three months since this issue was first brought to the attention of the examiner. It is therefore respectfully requested that the attorney named below be advised of the status of the above-identified application.

Please advise us of when we might expect to receive the new final Office Action promised by the examiner.

Dated: February 16, 2006

Respectfully submitted,

By
